

2ND REGIONAL CONFERENCE OF EDUCATION IN GASTROENTEROLOGY AND ENDOSCOPY

9th November, 2025

VENUE:

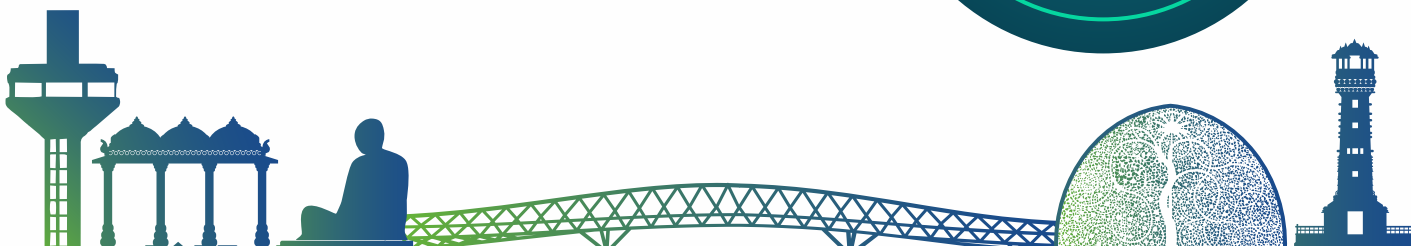

HYATT REGENCY

Ashram Road, Ahmedabad

THEME:

***Hepato Pancreato
Biliary Disorders***

*Unraveling Complexity,
Unlocking Clarity*

WELCOME MESSAGE

9th November, 2025 • Ahmedabad

Dear Friends & Colleagues,

We extend a warm greeting to all of you at this academic gathering, EDGE (Education in Gastroenterology & Endoscopy) 2.0, themed "Hepato-Pancreato-Biliary Disorders: Unraveling Complexity and Unlocking Clarity." Following the resounding success of EDGE 1.0, which brought together over 1000 delegates from across the state as well as distinguished international and national faculties, this year's scientific agenda includes dedicated Medical, Surgical, and Postgraduate Programmes in line with our commitment to fostering academic excellence and interactive learning. The hepato-pancreato-biliary system is one of the most complex areas of clinical medicine and surgical practice. The difficulties we face-ranging from diagnostic quandaries and treatment decision-making to management strategy innovations-demand not only scientific appearance but also a collaborative and knowledge-sharing mindset.

This conference gives a unique opportunity to debate on these challenges and work together to achieve clarity that can significantly improve patient care. In the ensuing sessions, we will hear from shelfful professionals who will offer their evidence-based guidelines and groundbreaking research. We hope to encourage deeper understanding, bridge gaps between theory and practice, and motivate academic progress in this critical topic. The extensive Postgraduate Programme includes structured case presentations, a fascinating quiz competition, and immersive hands-on clinical training. Our goal with these interactive modes is to bridge theoretical knowledge with practical application, fostering analytical acumen and procedural competence among postgraduate trainees.

We extend our warm welcome and best wishes for a very fruitful, thought-provoking, and fulfilling academic career on behalf of the organizing committee.

**Regards,
Organizing Team
GASTROPLUS EDGE 2.0**

CONFERENCE HIGHLIGHTS

- Acute Liver Failure
- Chronic Hep B & C
- MAFLD (Fatty Liver)
- Drug Induced Liver Injury
- Cirrhosis Complications
- Acute and Chronic Pancreatitis
- Safe Cholecystectomy
- Bile Duct Injury Management

WHO SHOULD ATTEND?

- Physicians
- Surgeons
- PG Residents of Medicine & Surgery
- Senior Residents with Aspiration in Gastroenterology Training
- General Practitioner with Keen Interest in Gastroenterology
- Gastroenterologist with Interest in High End Endoscopic Procedure / Hands-On
- Gastro Surgeon & HPB Surgeon

ORGANIZING COMMITTEE

Org. Chairman
Dr. Kunal Bhardwaj

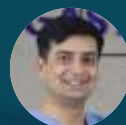

Org. Co-Chairman
Dr. Rashesh Solanki

Org. Secretary
Dr. Sandip Shah

Org. Secretary
Dr. Ravindra Gaadhe

Org. Secretary
Dr. Ram Parihar

Org. Secretary
Dr. Mayur Patel

SCIENTIFIC COMMITTEE

Dr. Keshu Antroliya

Dr. Maulik Shah

Dr. Ruchir Bhavsar

Dr. Krunal Patel

Dr. Barkha Dhanjani

INVITED FACULTIES

- PGI, Chandigarh
- AIIMS, New Delhi
- SGPGI, Lucknow
- AIG, Hyderabad
- CMC, Vellore
- JIPMER, Puducherry
- Medanta, New Delhi
- APOLLO, Chennai
- Max Hospital, New Delhi
- And Distinguished Faculties from Gujarat

ENDORSED BY

- Indian Society of Gastroenterology
- Association of Physicians of India, Gujarat Chapter
- Ahmedabad Physician Association
- Association of Ahmedabad Surgeons
- Association of Surgeons of Ahmedabad
- Ahmedabad Medical Association

Advances and Challenges in Hepatology & Pancreatology

LIVER SESSIONS

- Hepatitis Beyond Viruses: Exploring Alternative Etiologies
- Hepatitis B & C: Tackling Management Dilemmas
- MASH in the Era of Anti-Obesity Drugs: Current Best Strategies
- Acute Liver Failure: Recognizing Early Warning Signs
- Drug-Induced Liver Injury: A Common but Overlooked Issue
- Cirrhosis Complications: Approaches to Refractory Cases
- The Liver in Systemic Diseases: What Physicians Should Know
- Endoscopic Advances in HPB: Expanding Therapeutic Frontiers
- Potpourri Clinics: Practical Case Scenarios in Liver Disease
- Proton Pump Inhibitors & Probiotics in Liver Disease: Towards Rational Use

PANCREAS SESSIONS

- Acute Pancreatitis: Severity-Based Management Approaches
- Recurrent Acute Pancreatitis: Practical Steps in Diagnosis and Treatment
- Chronic Pancreatitis: Physician's Guide to Managing Complications

BILIARY INJURY PREVENTION AND MANAGEMENT (VIDEO BASED TALKS)

- 'Surgical workshop on benign Pancreatobiliary diseases: focus on postcholecystectomy bile duct injury'
- Biliary repair for post-cholecystectomy bile duct injury
 - Intraoperative
 - Early repair
 - Elective repair of Biliary stricture(with video)
 - Vasculobiliary injuries
 - Complex biliary strictures (redo, type 4/5)
- Post-cholecystectomy bile leak – patient selection and multidisciplinary management
 - Radiological/endoscopic/surgical

PANEL DISCUSSION

GB mass with large CBD stones (failed endoscopic removal) : intraoperative management

CHRONIC PANCREATITIS

- Safe and essential limits of Frey's procedure
- Trouble shooting during Frey's

MASTER VIDEOS

- Laparoscopic and Robotic HJ
- Lap choledochal cyst excision technique
- VARD (video assisted retroperitoneal debridement)
- Laparoscopic and Robotic Frey's/Puestow

POST-GRADUATE PROGRAMME

CASE PRESENTATION

Time: 09:00 am - 11:30 am

PAPER / POSTER PRESENTATION

Time: 11:30 am - 1:30 pm

GASTROENTEROLOGY QUIZ

Time: 02:30 pm - 4:00 pm

- One team will be selected from each college (pair of medical / surgical residents)
- Two levels of elimination rounds & Final round between top 4 colleges

HANDS-ON STATIONS

Time: 10:00 am - 02:00 pm

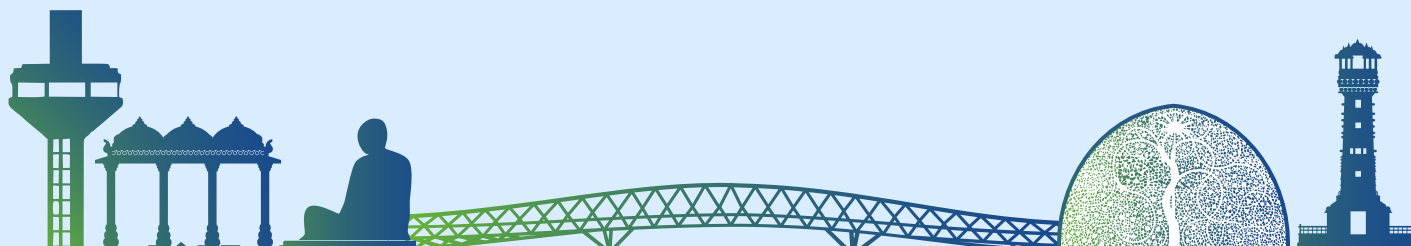

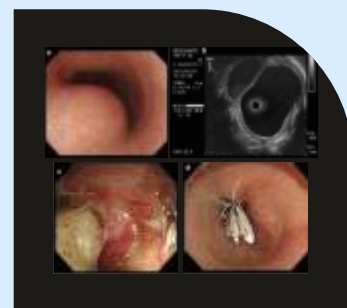

UGI Endoscopy

Colonoscopy

ERCP

For Gastro Residents

- POEM - ESD
- Axios
